### Trail Maintenance Event

**9:00 a.m. to 1:00 p.m., Cockaponset State Forest, Westbrook, CT**

Join members of the BPC, CFPA, LCRVHC and NEMBA for a trail maintenance event in Weber Woods as we work to improve the forest trails for all users. This year’s project will focus on blazing (marking) several of the most frequently used trails. Paint and brushes will be provided. Bring a bow saw or loppers and gloves if you would also like to do some light pruning as you move down the trail (optional). Dress for a day in the woods and bring water, a snack, sun screen and bug spray.

Pot-luck cookout lunch, with hot dogs supplied by LCRVHC, at noon. Bring a side dish or dessert!

**Pre-registration is recommended.**
